

Press Release

New sales manager at T&N Telekom & Netzwerk AG

Dietlikon, in March 2014 – With Beat Aebischer T&N has a new sales manager since mid-March. Beat Aebischer has been operating at Swisscom (Schweiz) AG for many years. He can look back to years of experience in leading functions in sales and marketing in the telecommunications industry and brings a lot of expert knowledge. He knows the needs of the market very well and is well prepared for the challenges at T&N. “Under his lead of the sales management T&N shall grow continuously. With his sales team he is responsible for the acquisition of new clients and the development of the network of existing customers”, says Hermann Graf, general director, T&N Telekom & Netzwerk AG.

About T&N AG

As practice-oriented and owner-operated enterprise for ICT solutions T&N has been developing continuously since its foundation in 1996. T&N has known the business environment for years and combines these fields of work to a whole – benefit from the experience of T&N AG – Think ahead – Progress forward – Go further. Across the country T&N employs about 130 collaborators in Dietlikon, Zurich, Frauenfeld, Olten, Basel and Crissier. Further information on: www.t-n.ch.
